Descriptive Summary
Title: Collection of Photographs of Bridges in California National Forests
Date (inclusive): 1936-1960
Collection Number: WRCA 197
Extent: 178 photographs
Repository: Rivera Library. Special Collections Department.
Riverside, CA 92517-5900
Languages: English.
Access
Collection is open for research.
Publication Rights
Copyright has not been assigned to the Water Resources Collections and Archives. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Director of Distinctive Collections. Permission for publication is given on behalf of the Water Resources Collections and Archives as the owner of the physical items and is not intended to include or imply permission of the copyright holder, which must also be obtained by the reader.
Preferred Citation
[identification of item], [date if possible]. Collection of photographs of bridges in California National Forests (WRCA 197). Water Resources Collections and Archives. Special Collections & University Archives, University of California, Riverside.
Collection Scope and Contents
Photographs of bridges located within the boundaries of Angeles, Cleveland, Eldorado, Klamath, Lassen, Los Padres (Santa Barbara), Mendocino, Plumas, Sequoia, Shasta, Sierra, Stanislaus, Tahoe, and Trinity National Forests. Most mounted on paper with captions.
Collection Number
Collection number updated February 2019. Legacy collection number was MS 98/6. This change was part of a project in 2018/2019 to update the collection numbers for collections in the Water Resources Collections and Archives.
