**Publication Rights**

Copyright has not been assigned to the Water Resources Collections and Archives. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Director of Distinctive Collections. Permission for publication is given on behalf of the Water Resources Collections and Archives as the owner of the physical items and is not intended to include or imply permission of the copyright holder, which must also be obtained by the reader.

**Preferred Citation**

[identification of item], [date if possible]. Newport Coast Planned Community, Phase IV collection (WRCA 212). Water Resources Collections and Archives. Special Collections & University Archives, University of California, Riverside.

**Collection Scope and Contents**

Collection of reports and documents related to the proposed development (approved by the California Coastal Commission) of 1,062 acres extending from the inland side of the Pacific Coast Highway fronted by Crystal Cove State Park to the ridge of the San Joaquin Hills, and falling within the Muddy Canyon/Los Trancos watersheds.

**Collection Number**

Collection number updated February 2019. Legacy collection number was MS 2000/3. This change was part of a project in 2018/2019 to update the collection numbers for collections in the Water Resources Collections and Archives.
