Descriptive Summary

Title: Andrew N. Cohen papers
Date (inclusive): 1913-1995
Date (bulk): 1991-1994
Collection Number: WRCA 242
Creator: Cohen, A. N. (Andrew N.)
Extent: 8 linear feet8 linear feet; 11 oversize items
Repository: Rivera Library. Special Collections Department.
Riverside, CA 92517-5900

Abstract: The collection dates from Andrew Cohen's tenure on the East Bay Municipal Utility District (EBMUD) Board of Directors and consists of documents pertaining to the projects and administrative work of the District. The materials consist of meeting minutes, reports, data, planning documents, drafts, policy, correspondence, news clippings.

Languages: Languages represented in the collection: English

Access
Collection is open for research.

Publication Rights
Copyright has not been assigned to the Water Resources Collections and Archives. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Director of Distinctive Collections. Permission for publication is given on behalf of the Water Resources Collections and Archives as the owner of the physical items and is not intended to include or imply permission of the copyright holder, which must also be obtained by the reader.

Preferred Citation
[identification of item], [date if possible]. Andrew N. Cohen papers (WRCA 242). Water Resources Collections and Archives. Special Collections & University Archives, University of California, Riverside.

Biography
Andrew N. Cohen was elected to the board of directors of the East Bay Municipal Utilities District in 1991. Prior to his election to the board Mr. Cohen sued to halt the building of a dam and reservoir near Moraga, California. He served one term and did not run for re-election in 1994. Cohen is a consultant who writes about environmental issues.

Collection Scope and Contents
The collection dates from Andrew Cohen's term on the East Bay Municipal Utilities District board of directors and consists of documents pertaining to the projects and administrative work of the District. The materials consist of articles, campaign materials, correspondence, data, financial materials, legislation, meeting minutes, newscippings, policies and procedures, and reports.

Arrangement
When received, the materials were arranged alphabetically by the subject listed as the folder title. This arrangement has been maintained and the folder titles correspond with the original.

Collection Number
Collection number updated December 2018. Legacy collection number was MS 2010/6. This change was part of a project in 2018/2019 to update the collection numbers for collections in the Water Resources Collections and Archives.
