Acquisition Information
Scope and Content of Collection
The collection primarily contains boxes of glass lantern slides taken by Erich F. Schmidt (1897-1964), at archaeological sites, including Persepolis (in Luristan, Iran) ca. latter 1920s-latter 1930s.
The collection also contains short lengths of film and a videotape which may contain copies of some/all of the film.
The collection was donated by Erich Schmidt's children, Richard Schmidt and Erika Schmidt Kuiper. Erich Schmidt earlier had donated a collection of Persian and Near Eastern art, archaeological, and historical books and periodicals to the UCSB Libraries. These have been housed in the main stacks of the Davidson Library and can be searched on Pegasus, the UCSB Libraries online catalog.
