Tibetan Manuscript Leaves. Mss 210. Department of Special Collections, Davidson Library, University of California, Santa Barbara.

Acquisition Information

Scope and Content of Collection
29 leaves in wooden boards, Sanscrit texts transposed into Tibetan script, written by various hands in Uchen script. The larger pages are scriptural texts, probably written by lamas; the smaller are copies made by lay people, to be carried in personal bags and packs. These most likely are from the Indian side of the Himalayas.
Box

29 leaves in wooden boards, Sanscrit texts transposed into Tibetan script, written by various hands in Uchen script, early 1800s
