Scope and Contents of Collection

The collection contains 102 open reel tapes produced by radio station KCSB, with live coverage of events, other broadcasts, calls, and interviews. The tapes are arranged chronologically by KCSB-assigned numbers, which generally refer to dates of the taping, e.g. KCSB.1.17.69 refers to a tape that was recorded on Jan. 17, 1969. Tape descriptions generally are taken from the tapes or tape boxes.

KCSB-FM 91.9, a non-commercial radio station, was located in the UCSB Storke Communications Building during the time these tapes were made. Malcolm Gault-Williams was General Manager. At the time, KCSB was the area's only non-commercial radio station and had a stated programming commitment to community service broadcasting.

Left hand column Tape # refers to Special Collections numbers.
