Biographical Note  
From the Oran Young page at Bren School website: http://www.bren.ucsb.edu/people/faculty/oran_young.htm: "Oran Young is a renowned Arctic expert and a world leader in the fields of international governance and environmental institutions. His scientific work encompasses both basic research focusing on collective choice and social institutions, and applied research dealing with issues pertaining to international environmental governance and the Arctic as an international region. Professor Young served for six years as vice-president of the International Arctic Science Committee and was the founding chair of the Committee on the Human Dimensions of Global Change within the National Academy of Sciences in the United States. He currently chairs the Scientific Committee of the International Human Dimensions Programme on Global Environmental Change and the Steering Committee of the Arctic Governance Project. Among the more than 20 books he has authored are The Institutional Dimensions of Environmental Change and Governance in World Affairs."  
More information is available at the Bren School website: http://www.bren.ucsb.edu/people/Faculty/more_young.htm  
Scope and Content  
Many of the files are labeled by Young and his office in acronyms or abbreviations. The best effort has been made to "translate" these abbreviations in the guide. The most common are also listed below.  
List of Common Abbreviations:  
Arrangement  
Collection is arranged in the following series:  
1. Series I, Office Files, contains alphabetical subject files from Young's campus office. Files are generally titled as received. (8 cartons).  
2. Series II, IDGEC, contains the following subseries: General, Administrative (Dartmouth IPO), Projects - Carbon Cycle, and Scientific. Files are titled and arranged as received. Files relating to IDGEC can also be found in the Office Files and Meetings series. (7 cartons).  
3. Series III, IHDP, contains the following subseries: General, and Core Projects. Files are titled and arranged as received. Files relating to IHDP can also be found in the Office Files and Meetings series. (3 cartons).  
4. Series IV, Meetings, Workshops & Conferences, contains files on meetings for various organizations that Young belonged to (primarily IDGEC, IHDP, ESSP). Arranged chronologically by meeting date. The IDGEC and IHDP series also contain files relating to meetings for those organizations. (4 cartons).  
5. Series V, Courses, contains planning, schedules, readers, etc. for courses taught by Young at Dartmouth and UCSB. Arranged by course number. (2 cartons).
1. CCU = Circumpolar Conservation Union
2. ESSP = Earth System Science Partnership
3. GCP = Global Carbon Project
4. HDP = Human Dimensions of Global Environmental Change Programme
5. IASC = International Arctic Science Committee
