African American Stereoviews. Wyles SC 989. Department of Special Collections, Davidson Library, University of California, Santa Barbara.

Acquisition Information

Scope and Content of Collection
The collection contains 20 b/w stereoview images of African Americans, possibly Louisiana, mounted on one large sheet, numbered but lacking captions. These appear to be staged scenes, with several images of children (sitting on steps, at play), men playing cards, eating sugar cane. These possibly were intended for a foreign audience, with "FOREIGN TITLES" notations below some images.
