Repository: UC Santa Cruz. Special Collections and Archives
Santa Cruz, California 95064

Abstract: This collection consists of more than 2700 images of campus life taken by Steve Rees at the University of California, Santa Cruz, from the fall of 1966 through the spring of 1967. These black and white, 35mm negatives chronicle the first year of Stevenson College for the Adlai E. Stevenson College Journal, 1967, the yearbook published by the pioneer class of the college. Included are performances, informal portraits, and student activities, as well as visitors and events significant to campus history.

Language of Material: English

Access
Selected images from this collection have been digitized and are available online through UCSC Library Digital Collections. The collection is open for research.

Publication Rights
