The records of Oakes College currently consist of photographs and audio visual materials, generally on cassette or VHS tape. The photographs are primarily informal snapshots of unidentified events and have been put into a rough chronological order. Audio and video recordings are of college related events such as commencements, core plenaries, and the 20th anniversary celebration. Recordings have not been played so identifying information is based on the respective labels on each physical item. Some recordings will need to be reformatted prior to access.
