Miscellaneous
Scope and Contents note
Materials arranged in 13 boxes labelled 1 thru. 13 (boxes 90 thru. 102). Box labels indicate time period of materials, method of arrangement of contents which is by original headings with correspondance, contents (in some cases), bills*, organisation(s)*, Subject(s)* which have been extracted from correspondance. The list of time-period of materials will be helpful to approach these time-wise. Box labels have a yellow dot on left side lower corner for easy identification since boxes & labels look alike. The dots are also on all sides of the boxes. A few headings in boxes 7 & 12 have not been analyzed because this would result in duplication of information already obtained (7) or the headings (12) may need a separate analyses of contents.
